

## Posting for Board Members: Embrace

Embrace is an anti-violence organization providing shelter, counselling and advocacy supports for women, 2spirit, genderqueer, trans and nonbinary folks and their children experiencing any form of violence in the Region of Peel and beyond. The policies of Embrace are informed by an integrated Feminist, Anti-Racist, Anti-Oppression, Social Justice and Harm Reduction framework. We understand Gender Based Violence (GBV) impacts women and trans folks disproportionately. We understand that survivors' experiences of violence are compounded by intersecting forms of racism and oppression.

### Vision Statement

To create social change where survivors have economic, social, and political justice; and all forms of violence are eliminated in the lives of all survivors and their communities.

### Board Composition

Embrace Agency to End Violence is governed by a volunteer Board of Directors who are committed to the purpose and mission of Embrace: Agency to End Violence. Although Board Members do not represent community, constituency, or organization in Board service, the composition of Embrace: Agency to End Violence should reflect as much as possible the character and nature of the communities we serve. To that end, the Board will apply the following recruitment considerations.

- Individuals who understand from their personal experiences, work, and/or volunteer activity, issues important to vulnerable and marginalized community members
- Individuals who share and uphold the organizations values of feminism, anti-racism, anti-oppression and it's harm reduction framework
- Individuals who reflect the diverse communities and identities of the Peel Region are encouraged to apply

This is consistent with Embrace: Agency to End Violence's commitment to principles of access and equality in its staff, board, committee, and volunteer recruitment.

Individuals with Finance, Employment Law, and Human Resources experience are strongly encouraged to apply.
